Goal 3. Determine market-based direction for key assets to reduce tax dollar dependency.

Strategy 3.a. Create, adopt and keep current lines of business Development Plans.

Strategy 3.b. Undertake a multi-year analysis to determine viability of operational self-sufficiency.

Strategy 3.c. Update the Port's investment strategy.

INTENT

The Port operates facilities such as the marinas that generate revenue. It strives to make those facilities financially self-sufficient so that in the future they will not rely on tax support.
